In Loving Memory

Florence Grieve

July 7, 1918 - April 26, 2022

Florence Grieve (nee Wilson) was born to Joe and Maggie Wilson at St. Paul's Hospital, Vancouver. She grew up with younger sister Olive and brother Jack in a humble but happy home through the difficult years of the great depression.

Mom was pre-deceased by her parents, sister and brother-in-law Olive and Cecil Drake, brother and sister-in-law Jack and Vivian Wilson, her husband George (2013), daughter Margery (2015) and son-in-law Jim Alcock (2018). She is survived by son Ken and wife Louise, 5 grandchildren Lorne Alcock (Christiane), Lyndell Montgomery (Nikki), Marlene Grieve, Rob Grieve (Lisa), Ryan Grieve (Megan) and 4 great grandchildren Kiara, Jaris, Chase and Canyon.

Mom finished high school and business college and worked for several years in Vancouver. She married George Grieve August 22, 1942. This was the beginning of more than 70 years together working on the family farm, parenting and later working as a secretary in the school system. Retirement brought enjoyment in the garden, travel to various destinations and sharing of good times with friends.

Mom was able to live in her same house for more than 70 years. Thank you from our family to Dr. McFadden and the compassionate care of VIHA homecare staff that made this possible.

Mom had a keen interest in the welfare, well-being of her children and grandchildren. She passed away peacefully in Comox Valley Hospital knowing the care of her family. Shared faith and fellowship with good friends kept mom's life enjoyable and meaningful to the end. We will remember her with thankfulness.

In Loving Memory of
Florence Marguerite Grieve
