

IN LOVING MEMORY OF

# Kaye Delaney

AUGUST 24, 1929 - MARCH 9, 2023

Kaye will always be remembered for her amazing gardens, both vegetable and flower. Having fresh flowers in the house was a joy to her.

She loved to read and showcase her memory prowess by reciting poetry. All her grandchildren were intrigued as well as entertained. Hide and seek in the dark with the grandkids was a regular occurrence as well as nature walks. She loved the outdoors and she and Ernest walked for miles and miles while living in Vancouver & Chilliwack.

Her bird book was always at the ready to identify each bird that flew into her world.

**Kaye had two great loves. God~and the love of her life, her husband Ernest George Delaney.**

One of nine children, Kaye made her choice to serve God from a young age alongside her parents, John Pierce and Catherine (Hollingsworth) Pierce in Wicklow, Ireland, and she remained faithful all of her days.

She and Ernest married on October 30, 1954 in Dublin, Ireland. They lived there until 1977 when they moved to Canada with their 3 children.

Since arriving in Canada, she has lived in the Lower Mainland and Fraser Valley BC, Sherwood Park AB, Merritt and Summerland BC.

Although her health had declined and getting outside for walks became a challenge, she kept her spirits up. She loved to sit at the window and enjoy the view of the ever-changing Merritt hillside as well as the lush gardens in Summerland.

Kaye is predeceased by husband Ernest, son Dale, grandson Dalton, and her eight siblings. She is survived by her sons Ron (Fran), Trevor (Rhonda), daughter Shirley, 7 grandchildren, and 14 great-grandchildren.

**A life well lived.**
