

### # 115 - Other Sheep

"Other sheep I have that wander  
In the world so dark and cold;  
To my love they still are strangers,  
For they are not of this fold.  
On the mountain bleak and dreary,  
By the crags where shadows lie,  
From the valley, in the evening,  
I have heard their plaintive cry."

Chorus:

"O my sheep, why wander  
In the path of danger?"  
Hear the gentle Shepherd calling,  
"I will bring thee home."

"Far they scatter o'er the desert,  
In the wilderness they roam;  
I must hasten out to find them  
And to bring them safely home.  
On my shoulders I will bear them  
And the lambs fold to my breast,  
And the feet that are so weary  
I will gently lead to rest."

"They shall hear my voice and follow  
Out where verdant pastures grow,  
And at noonday I will guide them  
Where the quiet waters flow.  
Though I lead through vale and shadow,  
They shall follow without fear;  
For my words will reassure them,  
And they'll know that I am near."

### # 200 - Lord, My Heart's Deep Need

Lord, my heart's deep need Thou knowest,  
Contrite at Thy feet I pray,  
Watching, waiting, in Thy presence,  
List'ning, willing to obey.  
All my soul for Thee is yearning,  
Fainting for Thy courts, O Lord;  
Truest source of satisfaction,  
Feed me on the living word.

Chorus:

All my soul for Thee is yearning,  
To be filled with Thee alone,  
Sanctified, approved, accepted,  
One whom Thou canst seal and own.

Lord, my heart's deep need Thou knowest,  
Draw me, I will follow Thee,  
Free from sin's enthralling bondage,  
In Thy light and liberty.  
All my weakness, Lord, Thou seest;  
In temptation be my tow'r;  
Make me more and more like Jesus  
Daily by Thy Spirit's pow'r.

Lord, my heart's deep need Thou knowest,  
Do not turn away my prayer;  
Thou hast walked the path before me;  
Thou canst sympathize and care.  
Oh, remember me in mercy,  
And impart the needed grace  
To enable me to follow  
Till I see Thee face to face.

### # 258 - Hidden

Lord, within my heart doth dwell  
A sweet thought that naught can quell;  
For I know that Thou hast given  
Unto me the peace of heaven,  
And my life secure shall be—  
It is hid with Christ in Thee.

Hidden safe from earth's alarms,  
'Neath Thine everlasting arms,  
Saved and kept by love divine,  
Oh, what rest of heart is mine,  
Knowing that my life shall be  
Ever hid with Christ in Thee.

Hid with Him, who is to me  
Life and peace eternally,  
Him who walked death's lonely way,  
That my ransom He might pay,  
Dying that my life might be  
Ever hid with Christ in Thee.

Memory of

## # 93 - Only One Life to Live

Sung by the workers

I have only one life on the earth,  
And as vapour it's passing away.  
I must labour for treasure of worth,  
Ere all toil ends at close of the day.

### Chorus:

Only one life to give:  
I could never withhold that from God.  
Only one life to live:  
I must not miss the "Well done" of God.

This one life that I have I may lose,  
And in losing a hundredfold gain;  
Then to fall in the earth I would choose  
And to die, thus God's best to obtain.

Only one life, and white is the field—  
With compassion this great need I view;  
So the one life I have I will yield,  
And the little I can I will do.

One poor life, small the off'ring at best,  
Yet the world and the flesh often call.  
This my answer shall be to each test:  
"I'll not serve God with less than my all."
