### ***To Laugh Often and Much***

To laugh often and much;  
to win the respect of intelligent people  
and the affection of children;  
to earn the appreciation of honest critics  
and endure the betrayal of false friends;  
to appreciate beauty;  
to find the best in others;  
to leave the world a bit better  
whether by a healthy child,  
a garden patch, or a redeemed social  
condition;  
to know that one life has breathed  
easier  
because you lived here.  
This is to have succeeded.

By Ralph Waldo Emerson

In lieu of flowers, gifts in Craig's memory  
may be made to Outride Bike, a non-  
profit dedicated to improving the lives  
of youth through cycling.
